The Honorable John F. Kennedy
The White House
Washington 25, D.C.

Dear Mr. President:

Thank you very, very much for your thoughtful and gracious telegram of October the 22nd expressing your pleasure about our radio station WCKR carrying the complete schedule of the "Voice of America" broadcasts from 6:00 PM to 5:00 AM.

The "Voice of America" has since amended the schedule to be broadcast at 7:00 PM to 6:00 AM. We are currently carrying this schedule and will continue to do so until we receive additional notice from the "Voice of America".

We were delighted to learn from Mr. Loomis of the "Voice of America" that our signal is being well received in Cuba.

If there is any additional service we can render, please advise us.

Sincerely,

Niles Trammell
